Walk Bridge Open House

Join us at the Walk Bridge Welcome Center for an Open House on Saturday, December 8 from 10:00 AM - 2:00 PM! The event will be held at 20 Marshall Street (1st floor of the Lock Building on the corner of N. Water Street and Marshall Street) in Norwalk, CT.

Bring your children to build and color bridges, and experience the new Walk Bridge Replacement through virtual reality goggles. Program representatives will be available to answer questions and lead children's activities.

Come learn about the Walk Bridge Program and its various projects, including the CP243 Interlocking Project, the Danbury Branch Dockyard Project, the replacement of the Fort Point Street, Osborne Avenue, and East Avenue Railroad Bridges, and other work associated with the Program.

Light refreshments will be provided. This event is open to all members of the community.

Please Be Advised

- All local property and business access will be maintained.
- Work is weather permitting and will be rescheduled as necessary.
- Updates are provided weekly and any unforeseen schedule changes are updated on the Program's website and social media outlets.
